**This prospectus explains what you should know about this mutual fund before you invest. Please read it carefully.**

These securities have not been approved or disapproved by the Securities and Exchange Commission (SEC) nor has the SEC passed upon the accuracy or adequacy of this prospectus. Any statement to the contrary is a crime.

**Putnam Government Money Market Fund**

Prospectus dated January 30, 2017

Effective April 1, 2017, purchases of class B shares will be closed to new and existing investors except by exchange from class B shares of another Putnam fund or through dividend and/or capital gains reinvestment.

The fund's Board of Trustees has determined to limit payments under the distribution and service (12b-1) plans in place with respect to class B, class C, class M, class R and class T1 shares to 0.00% of average net assets effective as of the close of business on March 31, 2017. Beginning on April 1, 2017, the fund will no longer make payments under the distribution and service (12b-1) plans in place with respect to class B, class C, class M, class R and class T1 shares.

The following information replaces similar disclosure for the fund under *Fund summary — Fees and expenses*:

The following table describes the fees and expenses you may pay if you buy and hold shares of the fund. Information about sales charge discounts is available from your financial advisor and in the Appendix to the fund's prospectus.

The following information replaces similar disclosure for the fund under *Fund summary — Fees and expenses*:

**Annual fund operating expenses** (*expenses you pay each year as a percentage of the value of your investment*)

Share class	Management fees	Other expenses <sup>#</sup>	Total annual fund operating expenses	Expense reimbursement <sup>#</sup>	Total annual fund operating expenses after expense reimbursement
Class A	0.29%	0.42%	0.71%	(0.02)%	0.69%
Class B	0.29%	0.42%	0.71%	(0.02)%	0.69%
Class C	0.29%	0.42%	0.71%	(0.02)%	0.69%
Class G	0.29%	0.23%	0.52%	(0.02)%	0.50%
Class M	0.29%	0.42%	0.71%	(0.02)%	0.69%
Class P	0.29%	0.23%	0.52%	(0.02)%	0.50%
Class R	0.29%	0.42%	0.71%	(0.02)%	0.69%
Class T1	0.29%	0.42%	0.71%	(0.02)%	0.69%

\* A deferred sales charge on class A, B, C, and T1 shares may apply to certain redemptions of shares purchased by exchange from another Putnam fund. The rate of the deferred sales charge for Class B shares will be determined based on the time between the original purchase of Class B shares from the other Putnam fund(s) and the date of redemption of shares from this fund.

= Other expenses are estimated amounts for the current fiscal year.

# Reflects Putnam Investment Management, LLC's contractual obligations to limit certain fund expenses through January 30, 2018. This obligation may be modified or discontinued only with approval of the Board of Trustees.

**Example**

The following hypothetical example is intended to help you compare the cost of investing in the fund with the cost of investing in other funds. It assumes that you invest \$10,000 in the fund for the time periods indicated and then redeem or hold all your shares at the end of those periods. It assumes a 5% return on your investment each year and that the fund's operating expenses remain

the same. Only the first year of each period in the example takes into account the expense reimbursement described above. Your actual costs may be higher or lower.

Share class	1 year	3 years
Class A	\$70	\$225
Class B*	\$570	\$525
Class B (no redemptions)	\$70	\$225
Class C	\$70	\$225
Class G	\$51	\$165
Class M	\$70	\$225
Class P	\$51	\$165
Class R	\$70	\$225
Class T1	\$70	\$225

\* Reflects assessment of deferred sales charge assuming Class B shares were acquired by exchange from one or more other Putnam funds immediately after purchase of shares from such other fund(s).

The following information replaces similar disclosure in the sub-section *How do I buy fund shares? — Opening an account:*

You can open a fund account and purchase class A, B, C, M and T1 shares by contacting your financial representative or Putnam Investor Services at 1-800-225-1581 and obtaining a Putnam account application. Since February 2012, class B shares are only available in exchange for class B shares of another Putnam fund. Effective April 1, 2017, purchases for class B shares will be closed to new and existing investors except by exchange from class B shares of another Putnam fund or through dividend and/or capital gains reinvestment. The completed application, along with a check made payable to the fund, must then be returned to Putnam Investor Services at the following address:

Putnam Investor Services  
P.O. Box 8383  
Boston, MA 02266-8383

You can open a fund account with as little as \$500. The minimum investment is waived if you make regular investments weekly, semi-monthly or monthly through automatic deductions from your bank checking or savings account. Although Putnam is currently waiving the minimum, it reserves the right to reject initial investments under the minimum at its discretion. Shares are sold at a NAV of \$1.00 per share, without any initial sales charge.

The following information replaces similar disclosure in the section *How do I buy fund shares? — Which class of shares is best for me?:*

**You may be eligible for reductions and waivers of deferred sales charges.** Deferred sales charges may be reduced or waived under certain circumstances and for certain groups. The CDSC waiver categories described below do not apply to customers purchasing shares of the fund through any of the financial intermediaries specified in the Appendix to this prospectus (each, a “Specified Intermediary”).

**Different financial intermediaries may impose different sales charges. Please refer to the Appendix for the CDSC waivers that are applicable to each Specified Intermediary.**

### Class B and class C shares

A CDSC is waived in the event of a redemption under the following circumstances:

- (i) a withdrawal from a Systematic Withdrawal Plan (“SWP”) of up to 12% of the net asset value of the account (calculated as set forth in the SAI);
- (ii) a redemption of shares that are no longer subject to the CDSC holding period therefor;
- (iii) a redemption of shares that were issued upon the reinvestment of distributions by the fund;

- (iv) a redemption of shares that were exchanged for shares of another Putnam fund, provided that the shares acquired in such exchange or subsequent exchanges (including shares of a Putnam money market fund or Putnam Short Duration Income Fund) will continue to remain subject to the CDSC, if applicable, until the applicable holding period expires; and
- (v) in the case of individual, joint or Uniform Transfers to Minors Act accounts, in the event of death or post-purchase disability of a shareholder, for the purpose of paying benefits pursuant to tax-qualified retirement plans (“Benefit Payments”), or, in the case of living trust accounts, in the event of the death or post-purchase disability of the settlor of the trust.

Additional information about reductions and waivers of deferred sales charges is included in the SAI. You may consult your financial representative or Putnam Retail Management for assistance.

---

The following information replaces similar disclosure in the section *How do I sell or exchange fund shares?*:

- **Payment information.** The fund generally sends you payment for your shares the business day after your request is received in good order (or the business day the request is received in the case of class P shares), although if you hold your shares through certain financial intermediaries or financial intermediary programs, the fund generally sends payment for your shares within three business days after your request is received in good order. Under unusual circumstances, the fund may suspend redemptions, or postpone payment for more than seven days, as permitted by federal securities law. You will not receive interest on uncashed redemption checks. Redemption proceeds may be paid in securities or other property rather than in cash.
- 

The following information replaces similar disclosure in the section *Distribution plans and payments to dealers — Distribution and service (12b-1) plans*:

**Distribution and service (12b-1) plans.** The fund has adopted distribution plans to pay for the marketing of its class B, class C, class M, class R and class T1 shares and for services provided to shareholders. The plans provide for payments at annual rates (based on average net assets) of up to 0.75% on class B shares, 0.35% on class T1 shares and 1.00% on class C, class M and class R shares. The Trustees currently limit payments on class M shares to 0.15%, on class T1 shares to 0.25% and on class B shares, class C shares and class R shares to 0.50% of average net assets, respectively. Because these fees are paid out of the fund’s assets on an ongoing basis, they will increase the cost of your investment. The higher fees for class B, class C, class M, class R and class T1 shares mean they have higher expense ratios and lower dividends than class A shares. Because class C, class M, class R and class T1 shares, unlike class B shares, do not convert to class A shares, class C, class M, class R and class T1 shares may cost you more over time than class B shares. Effective as of the close of business on March 31, 2017, the Trustees will limit payments on class B, class C, class M, class R and class T1 shares to 0.00% of average net assets.

---

The following information is added as an appendix to the prospectus:

## **Appendix**

Financial intermediary specific sales charge waiver information

As described in the prospectus, class A, B, C and T1 shares may be subject to a CDSC if purchased by exchange from another Putnam fund. Certain financial intermediaries may waive the CDSC in certain circumstances. This Appendix details the variations in sales charge waivers by financial intermediary. You should consult your financial representative for assistance in determining whether you may qualify for a particular sales charge waiver.

## **MERRILL LYNCH**

Effective April 10, 2017, if you purchase fund shares through a Merrill Lynch platform or account held at Merrill Lynch, you will be eligible only for the following sales charge waivers (front-end sales

charge waivers and CDSC waivers) and discounts, which may differ from those disclosed elsewhere in the fund's prospectus or SAI. It is your responsibility to notify your financial representative at the time of purchase of any relationship or other facts qualifying you for sales charge waivers or discounts.

### **Front-end Sales Charge Waivers on Class A Shares available through Merrill Lynch**

- Employer-sponsored retirement, deferred compensation and employee benefit plans (including health savings accounts) and trusts used to fund those plans, provided that the shares are not held in a commission-based brokerage account and shares are held for the benefit of the plan
- Shares purchased by college savings plans that qualify for tax-exempt treatment under Section 529 of the Internal Revenue Code of 1986, as amended
- Shares purchased through a Merrill Lynch-affiliated investment advisory program
- Shares purchased by third party investment advisors on behalf of their advisory clients through Merrill Lynch's platform
- Shares of funds purchased through the Merrill Edge Self-Directed platform
- Shares purchased through reinvestment of capital gains distributions and dividend reinvestment when purchasing shares of the fund (but not any other Putnam fund)
- Shares exchanged from Class C shares of the same fund in the month of or following the 10-year anniversary of the purchase date
- Employees and registered representatives of Merrill Lynch or its affiliates and their family members
- Trustees of the fund, and employees of Putnam Management or any of its affiliates, as described in the fund's prospectus
- Shares purchased from the proceeds of redemptions from a Putnam fund, provided (1) the repurchase occurs within 90 days following the redemption, (2) the redemption and purchase occur in the same account, and (3) redeemed shares were subject to a front-end or deferred sales charge (known as Rights of Reinstatement)

### **CDSC Waivers on A, B and C Shares available through Merrill Lynch**

- Death or disability of the shareholder
- Shares sold as part of a systematic withdrawal plan as described in the fund's prospectus
- Return of excess contributions from an IRA Account
- Shares sold as part of a required minimum distribution for IRA and retirement accounts due to the shareholder reaching age 70½
- Shares sold to pay Merrill Lynch fees but only if the transaction is initiated by Merrill Lynch
- Shares acquired through a right of reinstatement
- Shares held in retirement brokerage accounts that are exchanged for a share class with lower operating expenses due to transfer to certain fee based accounts or platforms (applicable to A and C shares only)

### **Front-end Sales Charge Discounts available through Merrill Lynch: Breakpoints, Rights of Accumulation & Letters of Intent**

- Breakpoints as described in the fund's prospectus and SAI
- Rights of Accumulation (ROA), which entitle you to breakpoint discounts, will be automatically calculated based on the aggregated holding of fund family assets held by accounts within your household at Merrill Lynch. Eligible Putnam fund assets not held at Merrill Lynch may be included in the ROA calculation only if you notify your financial representative about such assets
- Letters of Intent (LOI), which allow for breakpoint discounts based on anticipated purchases of Putnam funds, through Merrill Lynch, over a 13-month period

## Fund summary

### Goal

Putnam Government Money Market Fund seeks as high a rate of current income as Putnam Investment Management, LLC believes is consistent with preservation of capital and maintenance of liquidity.

### Fees and expenses

The following table describes the fees and expenses you may pay if you buy and hold shares of the fund.

#### Shareholder fees *(fees paid directly from your investment)*

Share class	Maximum sales charge (load) imposed on purchases (as a percentage of offering price)	Maximum deferred sales charge (load) (as a percentage of original purchase price or redemption proceeds, whichever is lower)
Class A	NONE	1.00%*
Class B	NONE	5.00%*
Class C	NONE	1.00%*
Class G	NONE	NONE
Class M	NONE	NONE
Class P	NONE	NONE
Class R	NONE	NONE
Class T1	NONE	1.00%*

#### Annual fund operating expenses

*(expenses you pay each year as a percentage of the value of your investment)*

Share class	Management fees	Distribution and service (12b-1) fees	Other expenses <sup>=</sup>	Total annual fund operating expenses	Expense reimbursement <sup>†</sup>	Total annual fund operating expenses after expense reimbursement
Class A	0.29%	0.00%	0.42%	0.71%	(0.02)%	0.69%
Class B	0.29%	0.50%	0.42%	1.21%	(0.02)%	1.19%
Class C	0.29%	0.50%	0.42%	1.21%	(0.02)%	1.19%
Class G	0.29%	0.00%	0.23%	0.52%	(0.02)%	0.50%
Class M	0.29%	0.15%	0.42%	0.86%	(0.02)%	0.84%
Class P	0.29%	0.00%	0.23%	0.52%	(0.02)%	0.50%
Class R	0.29%	0.50%	0.42%	1.21%	(0.02)%	1.19%
Class T1	0.29%	0.25%	0.42%	0.96%	(0.02)%	0.94%

\* A deferred sales charge on class A, B, C, and T1 shares may apply to certain redemptions of shares purchased by exchange from another Putnam fund. The rate of the deferred sales charge for Class B shares will be determined based on the time between the original purchase of Class B shares from the other Putnam fund(s) and the date of redemption of shares from this fund.

<sup>=</sup> Other expenses are estimated amounts for the current fiscal year.

# Reflects Putnam Investment Management, LLC's contractual obligation to limit certain fund expenses through January 30, 2018. This obligation may be modified or discontinued only with approval of the Board of Trustees.

### Example

The following hypothetical example is intended to help you compare the cost of investing in the fund with the cost of investing in other funds. It assumes that you invest \$10,000 in the fund for the time periods indicated and then redeem or hold all your shares at the end of those periods. It assumes a 5% return on your investment each year and that the fund's operating expenses remain the same. Only the first year of each period in the example takes into account the expense reimbursement described above. Your actual costs may be higher or lower.

Share class	1 year	3 years
Class A	\$70	\$225
Class B*	\$621	\$682
Class B (no redemption)	\$121	\$382
Class C	\$121	\$382
Class G	\$51	\$165
Class M	\$86	\$272
Class P	\$51	\$165
Class R	\$121	\$382
Class T1	\$96	\$304

\* Reflects assessment of deferred sales charge assuming Class B shares were acquired by exchange from one or more other Putnam funds immediately after purchase of shares from such other fund(s).

## Investments, risks, and performance

### Investments

We invest at least 99.5 percent of the fund's total assets in cash, U.S. government securities and repurchase agreements that are fully collateralized by U.S. government securities or cash. We invest mainly in debt securities that are obligations of the U.S. government, its agencies and instrumentalities and accordingly are backed by the full faith and credit of the United States (e.g., U.S. Treasury bills) or by the credit of a federal agency or government-sponsored entity (e.g., Fannie Mae and Freddie Mac mortgage-backed bonds). The U.S. government securities in which we invest may also include variable and floating rate instruments and when-issued and delayed delivery securities (i.e., payment or delivery of the securities occurs at a future date for a predetermined price). Under normal circumstances, we invest at least 80% of the fund's net assets in U.S. government securities and repurchase agreements that are fully collateralized by U.S. government securities. This policy may be changed only after 60 days' notice to shareholders. The securities purchased by the fund are subject to quality, maturity, diversification and other requirements pursuant to rules promulgated by the Securities and Exchange Commission. We may consider, among other factors, credit and interest rate risks, as well as general market conditions, when deciding whether to buy or sell investments.

## **Risks**

The values of money market investments usually rise and fall in response to changes in interest rates. Interest rate risk is generally lowest for investments with short maturities (a significant part of the fund's investments). Changes in the financial condition of an issuer or counterparty, changes in specific economic or political conditions that affect a particular type of issuer, and changes in general economic or political conditions can increase the risk of default by an issuer or counterparty, which can affect a security's or instrument's credit quality or value. Certain securities in which the fund may invest, including securities issued by certain U.S. government agencies and U.S. government sponsored enterprises, are not guaranteed by the U.S. government or supported by the full faith and credit of the United States. Mortgage-backed investments carry the risk that they may increase in value less when interest rates decline and decline in value more when interest rates rise. We may have to invest the proceeds from prepaid investments, including mortgage- and asset-backed investments, in other investments with less attractive terms and yields.

The fund may not achieve its goal, and is not intended to be a complete investment program. You could lose money by investing in the fund. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The fund's sponsor has no legal obligation to provide financial support to the fund, and you should not expect that the sponsor will provide financial support to the fund at any time.

## **Performance**

Performance information will be available after the fund completes a full calendar year of operation.

## **Your fund's management**

### **Investment advisor**

Putnam Investment Management, LLC

### **Sub-advisor**

Putnam Investments Limited\*

\* Though the investment advisor has retained the services of Putnam Investments Limited (PIL), PIL does not currently manage any assets of the fund.

## **Purchase and sale of fund shares**

You can open an account, purchase and/or sell fund shares, or exchange them for shares of another Putnam fund by contacting your financial advisor or by calling Putnam Investor Services at 1-800-225-1581.

When opening an account, you must complete and mail a Putnam account application, along with a check made payable to the fund, to: Putnam Investor Services, P.O. Box 8383, Boston, MA 02266-8383. The minimum initial investment

of \$500 is currently waived, although Putnam reserves the right to reject initial investments under \$500 at its discretion. There is no minimum for subsequent investments. Shares are sold at a net asset value of \$1.00 per share, without any initial sales charge.

You can sell your shares back to the fund or exchange them for shares of another Putnam fund any day the New York Stock Exchange (NYSE) is open. Shares may be sold or exchanged by mail, by phone, or online at [putnam.com](http://putnam.com). Some restrictions may apply.

Class P shares are only available to other Putnam funds. Class G shares are only available to Putnam fund-of-fund accounts.

### **Tax information**

Distributions from the fund will be taxed as ordinary income unless you hold the shares through a tax-advantaged arrangement, in which case you will generally be taxed only upon withdrawal of monies from the arrangement.

### **Financial intermediary compensation**

If you purchase the fund through a broker/dealer or other financial intermediary (such as a bank or financial advisor), the fund and its related companies may pay that intermediary for the sale of fund shares and related services. Please bear in mind that these payments may create a conflict of interest by influencing the broker/dealer or other intermediary to recommend the fund over another investment. Ask your advisor or visit your advisor's website for more information.

## **What are the fund's main investment strategies and related risks?**

This section contains greater detail on the fund's main investment strategies and the related risks you would face as a fund shareholder. It is important to keep in mind that risk and reward generally go hand in hand; the higher the potential reward, the greater the risk. As mentioned in the *Fund summary*, we pursue the fund's goal by investing at least 99.5 percent of the fund's total assets in cash, U.S. government securities and repurchase agreements that are fully collateralized by U.S. government securities or cash.

Some U.S. government securities are backed by the full faith and credit of the United States (e.g., U.S. Treasury bills). Other U.S. government securities are backed by the credit of a federal agency or government-sponsored entity (e.g., Fannie Mae and Freddie Mac mortgage-backed bonds). For example, certain issuers of U.S. government securities, including Fannie Mae, Freddie Mac, and the Federal Home Loan Banks, are sponsored or chartered by Congress, but their securities are neither issued nor guaranteed by the U.S. Treasury. The U.S. government securities in which we invest may also include variable and floating rate instruments and when-issued and delayed delivery securities.

We also invest in repurchase agreements. A repurchase agreement is a contract under which the fund acquires a security subject to the obligation of the seller to repurchase, and the fund to resell, the security at an agreed-upon time and price. Repurchase agreements entered into by the fund will be secured by collateral that consists entirely of U.S. government securities and cash items. If the seller in a repurchase agreement transaction defaults on its obligation under the agreement, the fund may suffer delays and incur costs or lose money in exercising its rights under the agreement.

- **Interest rate risk.** The values of money market and other fixed-income investments usually rise and fall in response to changes in interest rates. Declining interest rates generally increase the value of existing money market investments, and rising interest rates generally decrease the value of existing money market investments. Changes in the values of money market investments usually will not affect the amount of income the fund receives from them, but could affect the value of the fund's shares. Interest rate risk is generally lower for investments with shorter maturities, and the short-term nature of money market investments is designed to reduce this risk.

The fund may not hold an investment with more than 397 days remaining to maturity and the fund's average weighted maturity will not exceed 60 days (after giving effect to applicable maturity-shortening features such as interest rate resets or demand features, as described below). In addition, the weighted average life (determined without reference to maturity-shortening features) of the fund will not exceed 120 days. Short-term investments may have lower yields than longer-term investments.

Some investments that we purchase for the fund have an interest rate that changes based on a market interest rate and/or allow the holder to demand payment of principal and accrued interest before the scheduled maturity date. We measure the maturity of these obligations using the relatively short period until the interest rate resets and/or payment could be demanded, as applicable. Because the interest rate on these investments can change, these investments are unlikely to be able to lock in favorable longer-term interest rates.

- **Credit quality.** The fund buys only high quality investments that are eligible securities, as defined by Rule 2a-7 under the Investment Company Act of 1940, as amended. In general, in order to be an eligible security, Putnam Management must determine that the security presents minimal credit risk to the fund, based on policies and procedures adopted by the Board of Trustees.

U.S. government investments generally have lower credit risk but are not completely free of credit risk. U.S. government securities that are not backed by the full faith and credit of the United States, such as federal agency bonds, are subject to higher credit risk.

- **Liquidity.** The fund maintains certain minimum liquidity standards, including that:
  - the fund may not purchase a security other than a security offering daily liquidity (as specified by applicable rules governing money market funds) if, immediately after purchase, the fund would have invested less than 10% of its total assets in securities offering daily liquidity,
  - the fund may not purchase a security other than a security offering weekly liquidity (as specified by applicable rules governing money market funds) if, immediately after purchase, the fund would have invested less than 30% of its total assets in securities offering weekly liquidity (i.e., liquidity within five business days) and
  - the fund may not purchase an illiquid security (a security that cannot be sold or disposed of in the ordinary course of business within seven days at approximately the market value ascribed to it by the fund) if, immediately after purchase, the fund would have invested more than 5% of its total assets in illiquid securities.
- **Prepayment risk.** Traditional debt instruments typically pay a fixed rate of interest until maturity, when the entire principal amount is due. In contrast, securitized debt instruments, including mortgage-backed investments, typically allow for prepayment of principal without penalty. If an issuer prepays a loan or other debt instrument, we might have to reinvest the proceeds in an investment that may have lower yields than the yields on the prepaid investment or might not be able to take advantage of potential gains from increases in the credit quality of the issuer.
- **When-issued and delayed delivery securities risk.** The fund may purchase or sell a security at a future date for a predetermined price. The market value of the securities may change before delivery.
- **Market risk.** The value of securities in the fund's portfolio may fall or fail to rise over extended periods of time for a variety of reasons, including general financial market conditions, changing market perceptions (including perceptions about the risk of default and expectations about monetary policy or interest rates), changes in government intervention in the financial markets, and factors related to a specific issuer or industry. These and other factors may lead to increased volatility and reduced liquidity in the fund's portfolio holdings. During those periods, the fund may experience high levels of shareholder redemptions, and may have to sell securities at times when it would otherwise not do so, and at unfavorable prices.
- **Other investments.** In addition to the main investment strategies described above, the fund may make other types of investments and be subject to other risks as described under *Miscellaneous Investments, Investment Practices and Risks* in the statement of additional information (SAI).
- **Temporary defensive strategies.** In response to adverse market, economic, political or other conditions, we may take temporary defensive positions, such as investing some or all of the fund's assets in cash and cash equivalents, that differ from the fund's usual investment strategies. However, we may choose not to use these temporary defensive strategies for a variety of reasons, even in very volatile

market conditions. These strategies may cause the fund to miss out on investment opportunities, and may prevent the fund from achieving its goal. Additionally, while temporary defensive strategies are mainly designed to limit losses, such strategies may not work as intended.

- **Changes in policies.** The Trustees may change the fund’s goal, investment strategies and other policies set forth in this prospectus without shareholder approval, except as otherwise provided.
- **Portfolio holdings.** The SAI includes a description of the fund’s policies with respect to the disclosure of its portfolio holdings. For information on the fund’s portfolio, you may visit the Putnam Investments website, [putnam.com/individual](http://putnam.com/individual), where the fund’s portfolio holdings and related portfolio information may be viewed monthly beginning no later than 5 business days after the end of each month. This information will remain available on the website until the fund files a Form N-CSR or N-Q with the SEC for the period that includes the date of the information, after which such information can be found on the SEC’s website at <http://www.sec.gov>.

## Who oversees and manages the fund?

### The fund’s Trustees

As a shareholder of a mutual fund, you have certain rights and protections, including representation by a Board of Trustees. The Putnam Funds’ Board of Trustees oversees the general conduct of the fund’s business and represents the interests of the Putnam fund shareholders. At least 75% of the members of the Putnam Funds’ Board of Trustees are independent, which means they are not officers of the fund or affiliated with Putnam Investment Management, LLC (Putnam Management).

The Trustees periodically review the fund’s investment performance and the quality of other services such as administration, custody, and investor services. At least annually, the Trustees review the fees paid to Putnam Management and its affiliates for providing or overseeing these services, as well as the overall level of the fund’s operating expenses. In carrying out their responsibilities, the Trustees are assisted by an administrative staff, auditors and legal counsel that are selected by the Trustees and are independent of Putnam Management and its affiliates.

### Contacting the fund’s Trustees

Address correspondence to:  
The Putnam Funds Trustees  
One Post Office Square  
Boston, MA 02109

### The fund’s investment manager

The Trustees have retained Putnam Management, which has managed mutual funds since 1937, to be the fund’s investment manager, responsible for making investment decisions for the fund and managing the fund’s other affairs and business.

The basis for the Trustees' approval of the fund's management contract and the sub-management contract described below is discussed in the fund's annual report to shareholders dated September 30, 2016.

The fund pays a monthly management fee to Putnam Management. The fee is calculated by applying a rate to the fund's average net assets for the month. The rate is based on the monthly average of the aggregate net assets of all open-end funds sponsored by Putnam Management (excluding net assets of funds that are invested in, or that are invested in by, other Putnam funds to the extent necessary to avoid "double counting" of those assets), and generally declines as the aggregate net assets increase.

Putnam Management may from time to time voluntarily undertake to waive fees and/or reimburse certain fund expenses in order to enhance the annualized net yield for the fund. Any such waiver or reimbursement would be voluntary and may be modified or discontinued by Putnam Management at any time without notice. ("Total Open-End Mutual Fund Average Net Assets") as set forth below:

0.440% of the first \$5 billion of Total Open-End Mutual Fund Average Net Assets;  
0.390% of the next \$5 billion of Total Open-End Mutual Fund Average Net Assets;  
0.340% of the next \$10 billion of Total Open-End Mutual Fund Average Net Assets;  
0.290% of the next \$10 billion of Total Open-End Mutual Fund Average Net Assets;  
0.240% of the next \$50 billion of Total Open-End Mutual Fund Average Net Assets;  
0.220% of the next \$50 billion of Total Open-End Mutual Fund Average Net Assets;  
0.210% of the next \$100 billion of Total Open-End Mutual Fund Average Net Assets;  
0.205% of any excess thereafter.

Due to the expense limitation and the voluntary waiver in effect during the fiscal year, the fund did not pay a management fee to Putnam Management.

Putnam Management's address is One Post Office Square, Boston, MA 02109.

Putnam Management has retained its affiliate PIL to make investment decisions for such fund assets as may be designated from time to time for its management by Putnam Management. PIL is not currently managing any fund assets. If PIL were to manage any fund assets, Putnam Management (and not the fund) would pay a quarterly sub-management fee to PIL for its services at the annual rate of 0.20% of the average NAV of any fund assets managed by PIL. PIL, which provides a full range of international investment advisory services to institutional clients, is located at Cassini House, 57-59 St James's Street, London, England, SW1A 1LD.

Pursuant to this arrangement, Putnam investment professionals who are based in foreign jurisdictions may serve as portfolio managers of the fund or provide other investment services, consistent with local regulations.

## How does the fund price its shares?

The price of the fund's shares is based on its NAV. The NAV per share of each class equals the total value of its assets, less its liabilities, divided by the number of its outstanding shares. Shares are only valued as of the scheduled close of regular trading on the NYSE each day the exchange is open.

The fund values its investments at amortized cost, which approximates market value.

The fund's most recent NAV is available on Putnam Investments' website at [putnam.com/individual](http://putnam.com/individual) or by contacting Putnam Investor Services at 1-800-225-1581.

## How do I buy fund shares?

### Opening an account

You can open a fund account and purchase class A, B, C, M and T1 shares by contacting your financial representative or Putnam Investor Services at 1-800-225-1581 and obtaining a Putnam account application. Class B shares of the fund are only available in exchange for class B shares of another Putnam fund. The completed application, along with a check made payable to the fund, must then be returned to Putnam Investor Services at the following address:

Putnam Investor Services  
P.O. Box 8383  
Boston, MA 02266-8383

You can open a fund account with as little as \$500. The minimum investment is waived if you make regular investments weekly, semi-monthly or monthly through automatic deductions from your bank checking or savings account. Although Putnam is currently waiving the minimum, it reserves the right to reject initial investments under the minimum at its discretion. Shares are sold at a NAV of \$1.00 per share, without any initial sales charge.

If you participate in an employer-sponsored retirement plan that offers the fund, please consult your employer for information on how to purchase shares of the fund through the plan, including any restrictions or limitations that may apply.

Purchase orders for shares are only accepted on days the fund is open for business and must be received by 4:00 p.m. Eastern Time to be processed that day.

Class P shares are only available to other Putnam funds. Shares of the fund are sold at the NAV per share determined after confirmation of a purchase order by Putnam Investor Services.

Class G shares are only available to Putnam fund-of-fund accounts. Shares of the fund are sold at the NAV per share determined after confirmation of a purchase order by Putnam Investor Services.

Payment for shares must be transmitted to the fund by wire in federal funds or other immediately available funds. Please call Putnam Investor Services at 1-800-752-2693 with information about your purchase before wiring funds. The fund must receive all wires in proper form before the close of the Federal Reserve Wire System on the day of purchase or you could be liable for any losses or fees the fund has incurred or for interest and penalties.

Mutual funds must obtain and verify information that identifies investors opening new accounts. If the fund is unable to collect the required information, Putnam Investor Services may not be able to open your account. Investors must provide their full name, residential or business address, Social Security or tax identification number, and date of birth. Entities, such as trusts, estates, corporations and partnerships, must also provide additional identifying documentation. Putnam Investor Services may share identifying information with third parties for the purpose of verification. If Putnam Investor Services cannot verify identifying information after opening your account, the fund reserves the right to close your account at the then-current NAV, which may be more or less than your original investment, net of any applicable sales charges.

Also, the fund may periodically close to new purchases of shares or refuse any order to buy shares if the fund determines that doing so would be in the best interests of the fund and its shareholders.

Financial intermediaries purchasing or holding shares for their customer accounts may charge customers fees for cash management and other services provided in connection with their accounts. You should therefore consider the terms of any account you may have with a financial intermediary before purchasing shares. Financial intermediaries purchasing shares on behalf of customers are responsible for transmitting orders to the fund in accordance with customer agreements.

### **Purchasing additional shares**

Once you have an existing account, you can make additional investments at any time in any amount in the following ways:

- **Through a financial representative.** Your representative will be responsible for furnishing all necessary documents to Putnam Investor Services and may charge you for his or her services.
- **Through Putnam's Systematic Investing Program.** You can make regular investments weekly, semi-monthly or monthly through automatic deductions from your bank checking or savings account.
- **Via the Internet or phone.** If you have an existing Putnam fund account and you have completed and returned an Electronic Investment Authorization Form, you can buy additional shares online at [putnam.com](http://putnam.com) or by calling Putnam Investor Services at 1-800-225-1581.

- **By mail.** You may also request a book of investment stubs for your account. Complete an investment stub and write a check for the amount you wish to invest, payable to the fund. Return the check and investment stub to Putnam Investor Services.
- **By wire transfer.** You may buy fund shares by bank wire transfer of same-day funds. Please call Putnam Investor Services at 1-800-225-1581 for wiring instructions. Any commercial bank can transfer same-day funds by wire. The fund will normally accept wired funds for investment on the day received if they are received by the fund's designated bank before the close of regular trading on the NYSE. Your bank may charge you for wiring same-day funds. Although the fund's designated bank does not currently charge you for receiving same-day funds, it reserves the right to charge for this service. You cannot buy shares for employer-sponsored retirement plans by wire transfer.

### Which class of shares is best for me?

This prospectus offers choice of five classes of fund shares: A, B (only in exchange for class B shares of another Putnam fund), C, M and T1. Qualified employee-benefit plans may also choose class R shares of the fund. Class P shares are only available to other Putnam funds. Class G shares are only available to other accounts managed by Putnam Management and its affiliates.

This allows you to choose among different types of deferred sales charges and different levels of ongoing operating expenses, as illustrated in the *Fund summary — Fees and expenses* section. The class of shares that is best for you depends on a number of factors, including the amount you plan to invest and how long you plan to hold the shares.

#### **Class A and T1 shares only**

A deferred sales charge of 1.00% may apply to class A and T1 shares obtained by exchanging shares from another Putnam fund that were originally purchased without an initial sales charge, if the shares are redeemed within nine months of the original purchase.

Shares not subject to any charge will be redeemed first, followed by shares held the longest. The deferred sales charge will be based on the lower of the shares' original cost and current NAV, because you may have acquired the shares in an exchange from a fund whose share values fluctuated. You may sell shares acquired by reinvestment of distributions without a charge at any time.

#### **Class B and C shares only**

Class B shares will only be offered to class B shareholders of other Putnam funds wishing to exchange into the fund. If you sell (redeem) class B shares obtained in an exchange of class B shares of another Putnam fund within six years after you originally acquired the class B shares of the other Putnam fund, you will pay a deferred sales charge according to the following schedule:

Year after purchase	1	2	3	4	5	6	7+
Charge	5%	4%	3%	3%	2%	1%	0%

Shares not subject to any charge will be redeemed first, followed by shares held longest. The deferred sales charge will be based on the lower of the shares' original cost and current NAV, because you may have acquired the shares in an exchange from the fund whose share values fluctuated. You may sell shares acquired by reinvestment of distributions without a charge at any time.

If you sell (redeem) class C shares obtained in an exchange of class C shares of another Putnam fund within one year after you originally acquired the class C shares of the other Putnam fund, you will pay a deferred sales charge of 1.00%.

Orders for class B shares of one or more Putnam funds will be refused when the total value of existing account balances that are eligible to be linked under a right of accumulation for purchases of class A shares, is \$100,000 or more. Investors considering cumulative purchases of \$100,000 or more should consider whether class A shares would be more advantageous and consult their financial representative.

Class B shares convert automatically to class A shares after eight years, eliminating the 12b-1 fees.

Orders for class C shares of one or more Putnam funds, other than class C shares sold to qualified employee-benefit plans, will be refused when the existing account balances that are eligible to be linked under a right of accumulation for purchases of class A shares, is \$1,000,000 or more. Investors considering cumulative purchases of \$1,000,000 or more should consider whether class A shares would be more advantageous and consult their financial representative.

### **Class M and R shares only**

Class M and R shares have no deferred sales charge. Class M and R shares have higher annual expenses, and lower dividends, than class A or T1 shares because of higher 12b-1 fees.

Orders for class M shares of one or more Putnam funds, other than class M shares sold to qualified employee-benefit plans, will be refused when the total value of existing account balances that are eligible to be linked under a right of accumulation for purchases of class M shares, is \$1,000,000 or more. Investors considering cumulative purchases of \$1,000,000 or more should consider whether class A shares would be more advantageous and consult their financial representative.

### **Class P shares only**

Class P shares are only available to other Putnam funds

### **Class G shares only**

Class G shares are only available to Putnam fund-of-fund accounts.

- **General.** Because the fund seeks to be fully invested at all times, the fund only sells shares to you when it receives “same-day funds,” which are monies that are credited to the fund’s designated bank account at the Federal Reserve Bank of Boston. If the fund receives same-day funds before the close of trading on the NYSE, it will accept the order to buy shares that day.
- **You may be eligible for reductions and waivers of deferred sales charges.** Deferred sales charges may be reduced or waived under certain circumstances and for certain groups. Information about reductions and waivers of sales charges is included in the SAI. You may consult your financial representative or Putnam Retail Management for assistance.

## How do I sell or exchange fund shares?

You can sell your shares back to the fund or exchange them for shares of another Putnam fund any day the NYSE is open, either through your financial representative or directly to the fund. Class T1 shares may be exchanged for class A shares of any other fund that offers class A shares. In the case of exchanges, shareholders of class A or class T1 shares will, in most cases, be required to pay a sales charge, which varies depending on the fund to which they exchange shares and the amount exchanged.

If you redeem your shares shortly after purchasing them, your redemption payment for the shares may be delayed until the fund collects the purchase price of the shares, which may be up to 10 calendar days after the purchase date.

Regarding exchanges, not all Putnam funds offer all classes of shares or may be open to new investors. If you exchange shares otherwise subject to a deferred sales charge, the transaction will not be subject to the deferred sales charge. When you redeem the shares acquired through the exchange, however, the redemption may be subject to the deferred sales charge, depending upon when and from which fund you originally purchased the shares. The deferred sales charge will be computed using the schedule of any fund into or from which you have exchanged your shares that would result in your paying the highest deferred sales charge applicable to your class of shares. For purposes of computing the deferred sales charge, the length of time you have owned your shares will be measured from the date of original purchase, unless you originally purchased the shares from another Putnam fund that does not directly charge a deferred sales charge, in which case the length of time you have owned your shares will be measured from the date you exchange those shares for shares of another Putnam fund that does charge a deferred sales charge, and will not be affected by any subsequent exchanges among funds.

- **Selling or exchanging shares through your financial representative.** Your representative must receive your request in proper form before the close of regular trading on the NYSE for you to receive that day’s NAV, less any applicable deferred sales charge. Your representative will be responsible for furnishing all necessary documents to Putnam Investor Services on a timely basis and may charge you for his or her services.

- **Selling or exchanging shares directly with the fund.** Putnam Investor Services must receive your request in proper form before the close of regular trading on the NYSE in order to receive that day's NAV, less any applicable deferred sales charge.
- **By mail.** Send a letter of instruction signed by all registered owners or their legal representatives to Putnam Investor Services.
- **By telephone.** You may use Putnam's telephone redemption privilege to redeem shares valued at less than \$100,000 unless you have notified Putnam Investor Services of an address change within the preceding 15 days, in which case other requirements may apply. Unless you indicate otherwise on the account application, Putnam Investor Services will be authorized to accept redemption instructions received by telephone. A telephone exchange privilege is currently available for amounts up to \$500,000. The telephone redemption and exchange privileges may be modified or terminated without notice.
- **Via the Internet.** You may also exchange shares via the Internet at [putnam.com/individual](http://putnam.com/individual).
- **Selling shares by check.** If you would like to use the check-writing service, mark the proper box on the application or authorization form and complete the signature card (and, if applicable, the resolution). The fund will send you checks when it receives these properly completed documents. You can then make the checks payable to the order of anyone. The fund will redeem a sufficient number of full and fractional shares in your account at the next NAV that is calculated after the check is accepted to cover the amount of the check and any applicable deferred sales charge. The minimum redemption amount per check is \$250. Currently, Putnam is waiving this minimum. The use of checks is subject to the rules of your fund's designated bank for its checking accounts. If you do not have a sufficient number of shares in your account to cover the amount of the check and any applicable deferred sales charge, the check will be returned and no shares will be redeemed. Because it is not possible to determine your account's value in advance, you should not write a check for the entire value of your account or try to close your account by writing a check. The fund may change or end check-writing privileges at any time without notice. The check-writing service is not available for tax-qualified retirement plans.
- **Additional requirements.** In certain situations, for example, if you sell shares with a value of \$100,000 or more, the signatures of all registered owners or their legal representatives must be guaranteed by a bank, broker-dealer or certain other financial institutions. In addition, Putnam Investor Services usually requires additional documents for the sale of shares by a corporation, partnership, agent or fiduciary, or surviving joint owner. For more information concerning Putnam's signature guarantee and documentation requirements, contact Putnam Investor Services.

The fund also reserves the right to revise or terminate the exchange privilege, limit the amount or number of exchanges or reject any exchange. The fund into which you would like to exchange may also reject your exchange. These actions may apply to all shareholders or only to those shareholders whose exchanges Putnam Management determines are likely to have a negative effect on the fund or other Putnam funds.

Consult Putnam Investor Services before requesting an exchange. Ask your financial representative or Putnam Investor Services for prospectuses of other Putnam funds. Some Putnam funds are not available in all states.

- **Payment information.** The fund generally sends you payment for your shares the business day after your request is received (or the business day the request is received in the case of class P shares). Under unusual circumstances, the fund may suspend redemptions, or postpone payment for more than seven days, as permitted by federal securities law. You will not receive interest on uncashed redemption checks. Redemption proceeds may be paid in securities or other property rather than in cash.
- **Redemption by the fund.** If you own fewer shares than the minimum set by the Trustees (presently 500 shares), the fund may redeem your shares without your permission and send you the proceeds after providing you with at least 60 days' notice to attain the minimum. To the extent permitted by applicable law, the fund may also redeem shares if you own more than a maximum amount set by the Trustees. There is presently no maximum, but the Trustees could set a maximum that would apply to both present and future shareholders.

## Policy on excessive short-term trading

- **Policy on excessive short-term trading.** Because the fund is a money market fund that investors may seek to use as a source of short-term liquidity, Putnam Management and the fund's Trustees have not adopted policies to discourage short-term trading in the fund. However, because very large cash flows based on short-term trading may, under some market conditions, decrease the fund's performance, Putnam Management and the fund reserve the right to revise or terminate the exchange privilege, limit the amount or number of exchanges or reject any exchange. Any fund into which you would like to exchange may also reject your exchange. These actions may apply to all shareholders or only to those shareholders whose exchanges Putnam Management determines are likely to have a negative effect on the fund or other Putnam funds. Consult Putnam Investor Services before requesting an exchange.

## Distribution plans and payments to dealers

Putnam funds are distributed primarily through dealers (including any broker, dealer, bank, bank trust department, registered investment advisor, financial planner, retirement plan administrator, and any other institution having a selling, services, or any similar agreement with Putnam Retail Management or one of its affiliates). In order to pay for the marketing of fund shares and services provided to shareholders, the fund has adopted distribution and service (12b-1) plans, which increase the annual operating expenses you pay each year in certain share classes, as shown in the table of annual fund operating expenses in the section *Fund summary — Fees and expenses*. Putnam Retail Management and its affiliates also make additional payments to dealers that do not increase your fund expenses, as described below.

- **Distribution and service (12b-1) plans.** The fund has adopted distribution plans to pay for the marketing of its class B, class C, class M, class R and class T1 shares and for services provided to shareholders. The plans provide for payments at annual rates (based on average net assets) of up to 0.75% on class B shares, 0.35% on class T1 shares and 1.00% on class C, class M and class R shares. The Trustees currently limit payments on class M shares to 0.15%, on class T1 shares to 0.25% and on class B shares, class C shares and class R shares to 0.50% of average net assets, respectively. Because these fees are paid out of the fund's assets on an ongoing basis, they will increase the cost of your investment. The higher fees for class B, class C, class M, class R and class T1 shares mean they have higher expense ratios and lower dividends than class A shares. Because class C, class M, class R and class T1 shares, unlike class B shares, do not convert to class A shares, class C, class M, class R and class T1 shares may cost you more over time than class B shares.

- **Payments to dealers.** If you purchase your shares through a dealer, your dealer generally receives payments from Putnam Retail Management representing some or all of the sales charges and distribution and service (12b-1) fees, if any, shown in the tables under *Fund summary – Fees and expenses* at the front of this prospectus.

Putnam Retail Management and its affiliates also pay additional compensation to selected dealers in recognition of their marketing support and/or program servicing (each of which is described in more detail below). These payments may create an incentive for a dealer firm or its representatives to recommend or offer shares of the fund or other Putnam funds to its customers. These additional payments are made by Putnam Retail Management and its affiliates and do not increase the amount paid by you or the fund as shown under *Fund summary – Fees and expenses*.

The additional payments to dealers by Putnam Retail Management and its affiliates are generally based on one or more of the following factors: average net assets of a fund attributable to that dealer, sales or net sales of a fund attributable to that dealer, or reimbursement of ticket charges (fees that a dealer firm charges its representatives for effecting transactions in fund shares), or on the basis of a negotiated lump sum payment for services provided.

*Marketing support payments* are generally available to most dealers engaging in significant sales of Putnam fund shares. These payments are individually negotiated with each dealer firm, taking into account the marketing support services provided by the dealer, including business planning assistance, educating dealer personnel about the Putnam funds and shareholder financial planning needs, placement on the dealer's preferred or recommended fund company list, and access to sales meetings, sales representatives and management representatives of the dealer, as well as the size of the dealer's relationship with Putnam Retail Management. Although the total amount of marketing support payments made to dealers in any year may vary, on average, the aggregate payments are not expected, on an annual basis, to exceed 0.085% of the average net assets of Putnam's retail mutual funds attributable to the dealers.

*Program servicing payments*, which are paid in some instances to dealers in connection with investments in the fund through, dealer platforms, and other investment programs, are not expected, with certain limited exceptions, to exceed 0.20% of the total assets in the program on an annual basis. These payments are made for program or platform services provided by the dealer, including shareholder recordkeeping, reporting, or transaction processing, as well as services rendered in connection with dealer platform development and maintenance, fund/investment selection and monitoring, or other similar services.

You can find a list of all dealers to which Putnam made marketing support and/or program servicing payments in 2016 in the SAI, which is on file with the SEC and is also available on Putnam's website at [putnam.com](http://putnam.com). You can also find other details in the SAI about the payments made by Putnam Retail Management and its affiliates and the services provided by your dealer. Your dealer may charge you fees or commissions in addition to those disclosed in this prospectus. You can also ask your dealer about any payments it receives from Putnam Retail Management and its affiliates and any services your dealer provides, as well as about fees and/or commissions it charges.

- **Other payments.** Putnam Retail Management and its affiliates may make other payments (including payments in connection with educational seminars or conferences) or allow other promotional incentives to dealers to the extent permitted by SEC and NASD (as adopted by FINRA) rules and by other applicable laws and regulations. The fund's transfer agent may also make payments to certain financial intermediaries in recognition of subaccounting or other services they provide to shareholders or plan participants who invest in the fund or other Putnam funds through their retirement plan. See the discussion in the SAI under *Management — Investor Servicing Agent* for more details.

## Fund distributions and taxes

The fund declares a distribution daily of all its net income. The fund normally distributes any net investment income monthly. You may choose to reinvest distributions from net investment income, in additional shares of your fund or other Putnam funds, or you may receive them in cash in the form of a check or an electronic deposit to your bank account. If you do not select an option when you open your account, all distributions will be reinvested. If you choose to receive distributions in cash, but correspondence from the fund or Putnam Investor Services is returned as "undeliverable," the distribution option on your account may be converted to reinvest future distributions in the fund. You will not receive interest on uncashed distribution checks.

For shares purchased through your employer's retirement plan, the terms of the plan will govern how the plan may receive distributions from the fund.

For federal income tax purposes, distributions of net investment income are generally taxable to you as ordinary income. Taxes on distributions of capital gains are determined by how long the fund owned (or is deemed to have owned) the investments that generated them, rather than by how long you have owned (or are deemed to have

owned) your shares. Distributions that the fund properly reports to you as gains from investments that the fund owned for more than one year are generally taxable to you as long-term capital gains includible in net capital gain and taxed to individuals at reduced rates. Distributions of gains from investments that the fund owned for one year or less are generally taxable to you as ordinary income. Distributions are taxable in the manner described in this paragraph whether you receive them in cash or reinvest them in additional shares of this fund or other Putnam funds.

Distributions by the fund to retirement plans that qualify for tax-advantaged treatment under federal income tax laws will not be taxable. Special tax rules apply to investments through such plans. You should consult your tax advisor to determine the suitability of the fund as an investment through such a plan and the tax treatment of distributions (including distributions of amounts attributable to an investment in the fund) from such a plan.

The fund's investments in certain debt obligations may cause the fund to recognize taxable income in excess of the cash generated by such obligations. Thus, the fund could be required at times to liquidate other investments, including when it is not advantageous to do so, in order to satisfy its distribution requirements.

Any gain resulting from the sale or exchange of your shares generally also will be subject to tax.

The above is a general summary of the tax implications of investing in the fund. Please refer to the SAI for further details. You should consult your tax advisor for more information on your own tax situation, including possible foreign, state and local taxes.

### **Information about the Summary Prospectus, Prospectus, and SAI**

The summary prospectus, prospectus, and SAI for a fund provide information concerning the fund. The summary prospectus, prospectus, and SAI are updated at least annually and any information provided in a summary prospectus, prospectus, or SAI can be changed without a shareholder vote unless specifically stated otherwise. The summary prospectus, prospectus, and the SAI are not contracts between the fund and its shareholders and do not give rise to any contractual rights or obligations or any shareholder rights other than any rights conferred explicitly by federal or state securities laws that may not be waived.

## **Financial highlights**

The financial highlights tables are intended to help you understand the fund's recent financial performance. Certain information reflects financial results for a single fund share. The total returns represent the rate that an investor would have earned or lost on an investment in the fund, assuming reinvestment of all dividends and distributions. This information has been derived from the fund's financial statements, which have been audited by KPMG LLP. The Independent Registered Public Accounting Firm's report and the fund's financial statements are included in the fund's annual report to shareholders, which is available upon request.

## Financial highlights (For a common share outstanding throughout the period)

Period ended	INVESTMENT OPERATIONS				LESS DISTRIBUTIONS
	Net asset value, beginning of period	Net investment income (loss) <sup>a</sup>	Net realized gain (loss) on investments	Total from investment operations	From net investment income
<b>Class A</b>					
September 30, 2016†	\$1.00	—f	—	—f	—f
<b>Class B</b>					
September 30, 2016††	\$1.00	—f	—	—f	—f
<b>Class C</b>					
September 30, 2016††	\$1.00	—f	—	—f	—f
<b>Class G</b>					
September 30, 2016‡	\$1.00	—f	—	—f	—f
<b>Class M</b>					
September 30, 2016††	\$1.00	—f	—	—f	—f
<b>Class P</b>					
September 30, 2016†	\$1.00	—f	—	—f	—f
<b>Class R</b>					
September 30, 2016††	\$1.00	—f	—	—f	—f
<b>Class T1</b>					
September 30, 2016††	\$1.00	—f	—	—f	—f

\* Not annualized.

† For the period April 14, 2016 (commencement of operations) to September 30, 2016.

†† For the period June 16, 2016 (commencement of operations) to September 30, 2016.

‡ For the period August 30, 2016 (commencement of operations) to September 30, 2016.

<sup>a</sup> Per share net investment income (loss) has been determined on the basis of the weighted average number of shares outstanding during the period.

<sup>b</sup> Total return assumes dividend reinvestment and does not reflect the effect of sales charges.

<sup>c</sup> Includes amounts paid through expense offset and/or brokerage/service arrangements, if any. Also excludes acquired fund fees and expenses, if any.

<sup>d</sup> Reflects a voluntary waiver of certain fund expenses in effect during the period relating to the enhancement of certain annualized net yields of the fund. As a result of such waivers, the expenses of each class reflect a reduction of the following amounts as a percentage of average net assets):

**9/30/16**

Class A	0.14%
Class B	0.24
Class C	0.23
Class G	0.01
Class M	0.13
Class P	0.08
Class R	0.23
Class T1	0.17

			RATIOS AND SUPPLEMENTAL DATA		
Total distributions	Net asset value, end of period	Total return at net asset value (%) <sup>b</sup>	Net assets, end of period (in thousands)	Ratio of expenses to average net assets (%) <sup>c, d, e</sup>	Ratio of net investment income (loss) to average net assets (%) <sup>d, e</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$51,943	.15 <sup>*</sup>	.01 <sup>*</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$24	.10 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$182	.10 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$28,798	.03 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$1,136	.10 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$10,000	.15 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$329	.10 <sup>*</sup>	— <sup>*g</sup>
— <sup>f</sup>	\$1.00	— <sup>*</sup>	\$16	.10 <sup>*</sup>	— <sup>*g</sup>

<sup>e</sup>Reflects an involuntary contractual expense limitation in effect during the period. As a result of such waivers, the expenses of each class reflects a reduction of the following amounts as a percentage of average net assets:

**9/30/16**

Class A	0.20%
Class B	0.12
Class C	0.12
Class G	0.04
Class M	0.12
Class P	0.20
Class R	0.12
Class T1	0.12

<sup>f</sup>Amount represents less than \$0.0001.

<sup>g</sup>Amount represents less than 0.01%.

## Make the most of your Putnam privileges

As a Putnam mutual fund shareholder, you have access to a number of services that can help you build a more effective and flexible financial program. Here are some of the ways you can use these privileges to make the most of your Putnam mutual fund investment.

### **Systematic investment plan**

Invest as much as you wish. The amount you choose will be automatically transferred weekly, semi-monthly or monthly from your checking or savings account.

### **Systematic withdrawal**

Make regular withdrawals monthly, quarterly, semiannually, or annually from your Putnam mutual fund account.

### **Systematic exchange**

Transfer assets automatically from one Putnam account to another on a regular, prearranged basis.

### **Exchange privilege**

Exchange money between Putnam funds. The exchange privilege allows you to adjust your investments as your objectives change. A signature guarantee is required for exchanges of more than \$500,000 and shares of all Putnam funds may not be available to all investors.

Investors may not maintain, within the same fund, simultaneous plans for systematic investment or exchange (into the fund) and systematic withdrawal or exchange (out of the fund). These privileges are subject to change or termination.

**Dividends plus**

Diversify your portfolio by investing dividends and other distributions from one Putnam fund automatically into another at net asset value.

**Statement of intention**

You may reduce a front-end sales charge by agreeing to invest a minimum dollar amount over 13 months. Depending on your fund, the minimum is \$50,000 or \$100,000. Whenever you make an investment under this arrangement, you or your financial representative should notify Putnam Investor Services that a Statement of Intention is in effect.

Many of these services can be accessed online at **putnam.com**.

For more information about any of these services and privileges, call your financial representative or a Putnam customer service representative toll free at **1-800-225-1581**.

## For more information about Putnam Government Money Market Fund

The fund's SAI and annual report to shareholders include additional information about the fund. The SAI is incorporated by reference into this prospectus, which means it is part of this prospectus for legal purposes. The fund's annual report discusses the market conditions and investment strategies that significantly affected the fund's performance during its last fiscal year. You may get free copies of these materials, request other information about any Putnam fund, or make shareholder inquiries, by contacting your financial representative, by visiting Putnam's website at [putnam.com/individual](http://putnam.com/individual), or by calling Putnam toll-free at 1-800-225-1581.

You may review and copy information about a fund, including its SAI, at the Securities and Exchange Commission's Public Reference Room in Washington, D.C. You may call the Commission at 1-202-551-8090 for information about the operation of the Public Reference Room. You may also access reports and other information about the fund on the EDGAR Database on the Commission's website at <http://www.sec.gov>. You may get copies of this information, with payment of a duplication fee, by electronic request at the following E-mail address: [publicinfo@sec.gov](mailto:publicinfo@sec.gov), or by writing the Commission's Public Reference Section, Washington, D.C. 20549-1520. You may need to refer to the fund's file number.
