All funds involve risk, including the loss of principal.

Variable annuities are long-term investment vehicles intended for retirement planning. Annuities have insurance-related charges and tax considerations, and are offered by contract only. All guarantees are based on the claims-paying ability of the issuing company.

Your clients should carefully consider the investment objectives, risks, charges, and expenses of a fund before investing. For a prospectus containing this and other information for any variable annuity or variable life product that invests in Putnam managed products, call the Putnam Client Engagement Center at 1-800-354-4000. Your clients should read the prospectus carefully before investing.
