

Brett S. Goldstein, CFA

*Co-Chief Investment Officer, Global Asset Allocation
Investment Management*

Mr. Goldstein is Co-Chief Investment Officer of Global Asset Allocation (GAA) and a member of Putnam's Operating Committee. In partnership with Co-CIO of GAA Robert J. Schoen, Mr. Goldstein oversees the strategy and positioning of Putnam's GAA products, including research, security selection, portfolio construction, and risk management. He also contributes extensively to retirement glide path research and GAA's target-date funds. Mr. Goldstein is a portfolio manager of Putnam's Multi-Asset Absolute Return and Total Return strategies. He has been in the investment industry since he joined Putnam in 2010.

Previously at Putnam, Mr. Goldstein served as an Analyst and an Investment Associate in the GAA group.

Mr. Goldstein earned an M.P.S. in Statistics, a B.S. in Biometry and Statistics, and a B.S. in Finance from Cornell University.
