

**Alexander Rickson, CFA**

*Quantitative Analyst*  
*Quantitative Equities*

Mr. Rickson is a Quantitative Analyst in the Quantitative Equities group. Based in Putnam's London office, he is responsible for the quantitative research, development, and implementation of stock selection models for a range of investment strategies, including International Equities, European Equities, and Sustainable Investing. As a key member of the Sustainable Investing Team, Mr. Rickson interprets environmental, social, and governance (ESG) data and its application to the processes of risk management and portfolio construction. Mr. Rickson joined Putnam in 2002 and has been in the investment industry since 2000.

Prior to joining Putnam, Mr. Rickson was an Account Manager at State Street Global Advisors from 2001 to 2002 and a Fund Administrator at Jupiter Unit Trust Management from 2000 to 2001.

Mr. Rickson earned a B.A. from the University of Sheffield. He is a member of the U.K. Society of Investment Professionals and holds an Investment Management Certificate.
